About Wales in Venice

We are the **Arts Council of Wales**. We give money to support the arts in Wales.

We want people to take part in **Wales in Venice**.

Wales in Venice is an **art exhibition**. An art exhibition is a place where people show their art, like paintings or drawings. You can visit and look at the art.

Wales in Venice is part of a big art event in Venice in Italy.

The event will be from **9 May 2026 to 22 November 2026**.

We are looking for visual arts organisations in Wales to apply by making an Expression of Interest.

We need a visual arts organisation to help artists put together and deliver the exhibition.

We want the exhibition to include lots of different artists from different backgrounds.

We want the work to be fair to people and the planet.

You must apply by 1:00pm 4 June 2025.

More about the exhibition

Wales has been a part of this event for many years.

It is one of the world's most important art festivals.

We manage **Wales in Venice** with **Wales Arts International**. We get support from the **Welsh Government**.

We want to show the best artists making work now in Wales.

Who can apply

To apply you must:

- Be an organisation based in Wales.

- Have experience managing public money.

Your team can include people from outside Wales. But the project must benefit visual arts in Wales.

You do not need experience of working in other countries. But you should include people in your team that have more experience to help you.

There is more information about who can apply here: www.arts.wales/eligibility-organisations

What you will get from taking part

- A chance to show Welsh art at a big event.

- Chances to meet and work with people from different countries.

- Support to make new artwork.

- Money over 2 years.

Our goals and values

We want to:

- Show Welsh art to people around the world.

- Connect with others.

- Making good and fair choices.

- Working with others to get funding.

How we will run the project

We will work with the **creative team** and hold project meetings.

The creative team will include an **Exhibition Director**. They will be in charge of your budget and creative project.

The **Portfolio Manager** will lead the project and be responsible for the total budget.

A Steering Group will meet every 3 months to support the project.

We will support people who face barriers to joining in.

We are looking for a venue in the middle of Venice.

The creative team will run the exhibition.

The main organisation can include others in making the exhibition or lead it alone.

The budget

The full budget for the project is **£400 thousand** over 2 years. This includes all costs, including our Arts Council costs.

£188 thousand of that is for the creative team. This is the amount you should use for your budget.

Use the **budget template** here:
<https://arts.wales/venice> The template gives examples of exhibition and other costs.

Use services based in Wales when you can.
